

# MARLISH

**Sourced in the hills of Northumberland, Marlish spring water takes over 150 years to slowly filter through layers of rock, acquiring its pure quality and taste.**

SUSTAINABLY  
PRODUCED

- Solar panels supply the factory with lighting, hot water heaters and processes for cleaning and maintenance.
- Marlish cans are manufactured in the UK, minimising the carbon footprint and are 100% recyclable.

- All of Marlish's products are packaged at source to reduce road miles and emissions.
- Over the last 10 years, Marlish has planted over 8000 trees to create and safeguard habitats for wildlife.

PUB & RESTAURANT

## GIN MENU

The Elwes Arms 37 High Street.  
Great Billing, NN3 9DT  
01604 407521

The background of the entire page is a repeating pattern of various fruits and vegetables, including lemons, limes, pineapples, raspberries, pears, apples, and watermelon slices, all rendered in a light, sketchy line-art style.
